№1511-2023/1

To whom it may concern

Dear Sirs!

It is my pleasure to write this letter on behalf of CRDF Global (office in Ukraine),

I am writing to confirm that Task Force has been providing translation services to us occasionally as required in particular providing written translations as well as decoding and voice-over services. In June 2023 they completed an order for decoding and voice-over of 17 video trainings about poisonous substances and protection against them.

I confirm that the team is confident with the required terminology, and we are satisfied with the services provided.

Based on our positive experience with Task Force, I have no hesitation in recommending their team for any high-quality translation and localization assignments.

Best regards,

Mykhailo Verych
Senior Operations Manager
