

Dear Sir/Madam,

On behalf of the team of EU-funded Pravo-Justice project, that promotes greater rule of law in Ukraine, in line with European standards and comparative practices, we are glad to recommend you Task Force translation company.

In 2020, the team of Task Force has performed a number of written translations for us, including translation of documents for projects for the development of a mediation institution in Ukraine, development of electronic notarial services in Ukraine, and regulation of bankruptcy proceedings.

We would like to note the high professionalism and competence of the company's specialists and to thank them for their responsible attitude to the work and high-quality and timely translations. We are pleased that the team of Task Force works in an ongoing dialogue with the customer and takes into account all requests concerning orders.

Kind regards,
