I am writing this letter with great pleasure to confirm that Task Force Translation Company has provided excellent translation services to **Acino Ukraine**. Head office of our company is Swiss-based and specializes in offering high quality generic pharmaceutical products with advanced drug delivery systems, has been working with Task Force since 2012 and we are proud to have them as our long-standing translation partner for various translation and localization assignments.

Task Force was recently engaged by us to translate our **Acino Anti-Bribery and Anti-Corruption Policy from English into French, Spanish, Russian, Arabic and Ukrainian**. The work was completed in a timely and professional manner, and the quality of the final products was according to our expectations.

It is with my highest recommendation that I suggest Task Force for any high-quality translation and localization projects. Their team of experts is highly skilled, and their attention to detail is unmatched.

Thank you for considering Task Force Translation Company.

Sincerely,
