Dear Sirs,

It is my pleasure to write this letter on behalf of the **Foundation for support of reforms in Ukraine**, a non-governmental union promoting the development of Ukraine and improving the material well-being of its citizens by supporting the development and implementation of reforms in Ukraine.

I am writing to confirm that **Task Force Translation Company** per our request provided excellent translation of Security and Defense documents on request of Defense Procurement Reform Project supported by UK Special Defense Advisor.

The documents (source text English) were translated into Ukrainian and the quality of the work was outstanding.

Based on our positive experience with Task Force, I have no hesitation in recommending their team for any high-quality translation and localization assignments.

Best regards,

Executive Director

Yurii Shkil
