

**TO WHOM IT MAY CONCERN**

Dear Sirs,

Task Force linguistic services company has been our linguistic partner since 2019, and I am writing to confirm the fact of collaboration and provide my recommendation.

I have had the pleasure of collaborating with their team on various translation projects, and I am consistently impressed with the quality and efficiency of their services.

Task Force team has consistently demonstrated a high level of professionalism, accuracy, and reliability in all the translation and interpretation assignments they have undertaken for us. Their team exhibits a profound understanding of linguistic nuances, peculiarities of agricultural sector as well as nuances of legal writing. Translation services are mainly performed from English into Ukrainian and from English into russian and vice versa.

One of the notable strengths of the Task Force is their commitment to meeting deadlines without compromising the quality of their work. Regardless of the complexity or volume of the project, they have consistently delivered timely and precise translations and in a cost efficient manner.

I am confident that Task Force would be an asset to any organization seeking top-notch linguistic services. Their dedication to excellence, attention to detail, and linguistic as well as industry expertise make them a reliable partner of choice.

Sincerely,

Oleg Bigdan
