TO WHOM IT MAY CONCERN

May 30, 2023

Dear Sirs,

It is my pleasure to write this letter on behalf of Berlin-Chemie, a German world-known pharmaceutical company.

I am writing to confirm that Task Force Translation Company per our request provided excellent translation of adverse reactions forms, safety reports, risk management plans, safety booklets. The presentations/documents were translated from English and German into Ukrainian, and the quality of the work was outstanding.

Based on our positive experience with Task Force, I am glad to recommend their team for any high-quality translation and localization assignments.

Best regards,

Maryna Kucher
